

Applicant location	National
Role	Board member
Closes	13 September 2024
Remuneration	to be advised
Contact number	027 778 9753
Website	www.networkwaitaki.co.nz

Organisation description

Network Waitaki owns and operates a predominately rural electricity distribution network, supplying the North Otago, Hakataramea, and Ahuriri regions. Our core business is the provision, operation and management of electricity infrastructure.

Network Waitaki is owned by the Waitaki Power Trust and director appointments are made by the Trust.

We are looking for a director to help shape our future investment and response to growing demand and climate change.

Particular skills/competencies sought

The current board has a wide range of industry and business expertise. The successful applicant must have experience one of the following areas:

- Energy industry engineering
- Asset Management
- Digitisation and new technology
- Health and safety; and/or be able to demonstrate an understanding of the industry, future opportunities, and challenges
- Strong customer focus
- Effective governance experience, including curiosity and constructive challenging

Commitment required

The Board meets monthly for one full day. Plus, strategic meetings, field visits and committee meetings as required.

Term

Three years, with the opportunity to serve a maximum of three terms.

Apply

To apply, please send your CV and cover letter outlining why you would be an ideal candidate to Sandra Tonkin, Secretary: secretary@waitakipowertrust.co.nz
